Whereas, Covid-19, is declared as a global pandemic by the World Health Organisation. Government of India also declared it as a disaster and announced several measures to mitigate the epidemic. Government of Kerala, has deployed several stringent measures to control the spread of the epidemic.

And whereas, SRO notification issued by Govt of Kerala as Kerala Epidemics Diseases, Covid 19, Regulations 2020 in official gazette stipulates that all possible measures shall be incorporated to contain the disease.

And whereas, 1907 live cases are treated in various hospitals in the district as on date, and epidemiological investigation has been carried out in each and every case and their primary and secondary contacts have been traced for effective containment of further transmission of disease. Most of these unknown cases and local contacts have a large number of contacts throughout the city.

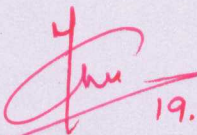

And whereas, the District Authority has examined the matter in detail and is convinced that the need for continuation of total and complete lock down within the limits of Corporation is genuine and urgent to contain the further spread of the Covid-19.
