The Ministry of Home Affairs, Government of India vide order read as 1<sup>st</sup> above has permitted interstate movement of persons stranded in different parts of the country owing to general lock down implemented to contain the COVID-19 outbreak. The Government, vide order read 2<sup>nd</sup> above has issued guidelines for facilitating interstate movement by road, and certain provisions of these guideline have been amended vide order read as 3<sup>rd</sup> and 4<sup>th</sup> above. The operation of road entry check posts at six locations across the State border has gained certain experiences and it is noted that large number of persons have approached these check posts without obtaining entry passes which has resulted in to excessive delay in screening of persons because no database about tracing addresses of these persons were available with the Government. Accordingly, the other State Governments have been addressed to issue movement passes from their States only after obtaining the entry passes to Kerala and the IAS

officers posted in the War Room, who are entrusted with coordination other States, have been instructed to take up the matter with their counterparts.
